FREE Electronic Forms for Health Care Practitioners

Eliminate the need for filing, illegible handwriting and time-consuming data entry tasks with high-quality virtual medical forms. Minimize postage costs and mailing needs. We can tailor any form to suit your unique business needs. Take comfort knowing our online email management system provides safe, secure and private storage of your information.

Your FREE account includes

1. UNLIMITED Download Forms
2. UNLIMITED Uploaded Forms to Your Private Account
3. UNLIMITED Online Forms
4. High-quality Form Customizing Services

Forms are available as

- PDF Download
- Online Digital

Your easy-to-use online filing system provides unlimited storage for all your forms. You can easily view the history of each form sent and answers received. And with just a few clicks you have access to a simple form to accommodate customization requests.

Safe, Secure and Private

Your personal information is stored at an off-site data center secured behind firewall protection in a strictly controlled environment.

You have no software to maintain and technical support is only a few clicks away

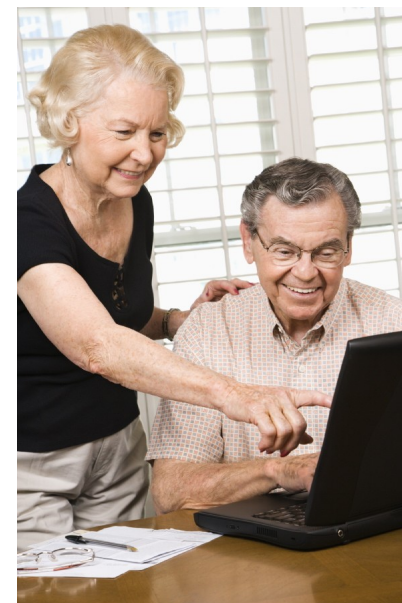

Your FREE email management system includes:

1. Unlimited email addresses
2. Easy-to-use group filing
3. Unlimited email usage and storage

Increased Customer Service

Patients have 24-hour access to complete forms in the comfort of their own homes. Answers can be returned well in advance of their scheduled appointment for easy review and confirmation.
